Each grant contract indicates a due date for submission of a progress report, which triggers the release of a substantial portion of the grant, as indicated in the contract.

Click the Send button at the top of the form. This will automatically attach the file to an email message if you have an email client like Outlook on your machine. If you do not, it will prompt you to save the file. Then use your standard email to create a new message addressed to [mail@mohumanities.org](mailto:mail@mohumanities.org) and attach the saved file to that message.

**Schedule of Activities: indicate any changes from the schedule you submitted with the grant application.**

### **For recipients of challenge grants only:**

1. Have you received the third-party gifts eligible for matching?
2. If so, do you have the necessary letter of conveyance from the donors?
3. If not, when do you expect to complete your challenge grant?

**Is the project being carried out in accordance with the application approved by the Missouri Humanities Council?**
